AT BARNSTEAD INN

Create a Wedding Experience That's Uniquely Yours

*Welcome to Barnstead Inn, the perfect place for your exclusive Vermont wedding!
We take pride in helping you bring your wedding vision to life.*

The Barnstead Inn originated as a working farm in the 1830's with the original farmhouse, carriage house, and cow barn still on the property. In the 1960's the farm was converted into a countryside inn, The Barnstead is now a second-generation family owned and operated B&B.

Located in Manchester Center, VT, The Barnstead Inn is a wedding and event venue that also offers luxury lodging. Nestled in the city's heart, the inn is near the energy and amenities that downtown has to offer. This venue has an idyllic ambience and stunning grounds that make an ideal backdrop for weddings and events.

The Barnstead Inn is renovated, with twenty-one rooms and suites, and features a carefully implemented modern luxury farmhouse design to provide the sophisticated social travelers a one-of-a-kind experience. Overall, it has a contemporary and luxurious vibe blended with the classic qualities of Vermont.
